Registration and payment plans will be available November 14 through the payment due dates as listed on the BCC website for the individual terms for Summer 2012. Students enrolling after the payment due date for the term must pay in full or enter the payment plan by 8:00 pm that day. All payment plans are established at www.bcc.edu; click on Business Office/Payments, then click on Payment Plan Options and follow the instructions. If you are registered for more than one term you must establish a payment plan for each term. Terms cannot be combined. A \$25.00 payment plan enrollment fee is charged to the student each semester. Payments will be withdrawn from the account that you used to establish your payment plan. Payment in full is also available online. Payment by electronic check is available through the payment plan and costs \$2.00 per payment. Payment by credit card is free through Web Advisor. It is the student's responsibility to report ALL class schedule changes to the Business Office so that your agreement can be adjusted (increased, decreased or terminated). Notification less than ten days prior to your payment withdrawal will not insure canceling the payment. JOINT BASE MDL VISITOR PASS PROCEDURES

The Joint Base requires visitor passes for non-military students. Students will need to supply the following documents at the Joint Base 5 days prior to the start of class in order to receive a visitor pass. Please note that these documents need to be supplied for each individual student, not just the driver of the vehicle.

- A valid (current) state driver's license.
- A valid (current) state auto registration.

- A valid (current) auto insurance card for at least the length of the class. In cases where insurance does not cover the length of the class, the pass will only be issued to that date – they must return for another pass with updated auto insurance.

Please Note: Students and instructors must depart the Joint Base within 30 minutes of the end of the class. Please call (609) 754-2577 with any questions.

DISTANCE LEARNING

COLLEGE CREDIT ANYWHERE, ANYTIME

DISTANCE EDUCATION

Burlington County College has been providing distance learning classes since 1978. Each semester, classes are offered which span the disciplines from Art to Music and from Biology to Physical Science. Distance learning courses are part of the curriculum, allowing students to learn whenever and wherever it's convenient for them, while satisfying degree requirements.

Distance learning courses typically include:

- textbook readings
- web based resources
- interaction with highly qualified faculty
- interaction with fellow students
- projects and exams

COURSE DELIVERY SYSTEM

Our courses feature state-of-the-art course management systems to deliver dynamic college level instruction over the Internet. Most courses are hosted on the Blackboard Learning System, Campus Edition 8 software platform. To see if your computer is compatible, please visit <http://bcc.blackboard.com> and click the Check Browser link in the upper right hand corner of the window. If your machine is not compatible, in most cases on-screen instructions will help you download the free software needed to update your computer. Compatible computers are also available to students on every BCC campus.

OUR FACULTY

College faculty are available on-line to answer questions and direct student learning. Faculty teaching on-line meet the same rigorous standards as those teaching in BCC classrooms. In fact, some on-line faculty also teach on-campus, while others, selected from among the top practitioners in their fields, may be located anywhere in the world!

OUR STUDENTS

Thousands of BCC students take online courses every year. Students who are self-motivated and highly organized tend to be successful in Distance Education courses.

IS DISTANCE EDUCATION FOR YOU?

You can visit <http://staff.bcc.edu/distance/isdl4u.htm> at any time, or click *Is Distance Learning for You* from the Distance Education homepage to find out.
