

Your application was selected for review in a process called "Verification." In this process, the Financial Aid Office will be comparing information from your application with signed copies of your and your parent(s)' (and your spouse's, if you are married) 2010 Federal tax forms, W-2 forms or other requested financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or the Financial Aid Office may need to make corrections electronically to your FAFSA and the Central Processor will notify you of the changes.

Complete this form & submit it to the Financial Aid Office as soon as possible, so that your financial aid won't be delayed.
