
BURLINGTON COUNTY COLLEGE

TRANSFER GUIDE

BCC students go everywhere!

**BURLINGTON
COUNTY COLLEGE**

We Can Get You There.

A MESSAGE FROM THE PRESIDENT

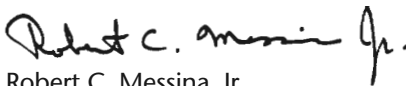

While you are a student at Burlington County College, you may have questions about where to go from here or what you can do once you have completed your degree at BCC. Some of you may enter the workforce directly and some of you may decide to continue your education. Whatever you may choose to do, BCC can get you there.

With campuses in Pemberton and Mt. Laurel, and centers in Willingboro and Mt. Holly, BCC offers credit, non-credit, certificate and enrichment programs. The college offers more than 1,000 credit and non-credit classes in over 100 majors and programs each semester.

The College has a strong commitment to helping students continue their education beyond a two-year degree. BCC has long-standing transfer agreements with a large number of prestigious universities and colleges. Guaranteed admission and transfer agreements pave our students' way for seamless transfers into advanced degree programs. Some of these partner institutions offer advanced level courses at BCC so our students can complete a bachelor's and even select master's degree programs without ever leaving a BCC campus.

Remember, we are here to help you with your goals and answer any questions you may have. The faculty and staff here at BCC want you to enjoy your college experience and follow your dreams to completion. Good luck!

Sincerely,

Robert C. Messina, Jr.

President – Burlington County College

**BURLINGTON
COUNTY COLLEGE**

We Can Get You There.

REV 11/11

THE TRANSFER PROCESS

Burlington County College provides students with a rich array of opportunities to continue their education by transferring to four-year colleges and universities throughout the state, region and country.

Each year, many BCC students successfully transfer into a variety of academic programs at four-year colleges and universities. In a large part, this can be attributed to the importance BCC attaches to its mission of helping students achieve their academic goals, the seriousness of our students in their desire to continue their education and complete their bachelor's degree, and the outstanding work of the BCC faculty in helping students achieve academic success.

This guide is designed to help students understand the multi-part *transfer process* at BCC, a process that should begin early in a student's academic career at Burlington County College.

For updated partner school information, please visit us online at www.bcc.edu.

Transfer Tips	39

PLANNING AND ACTION STEPS

The two most important elements in successful transfers are (1) a student's grade point average and (2) the courses a student has taken at BCC.

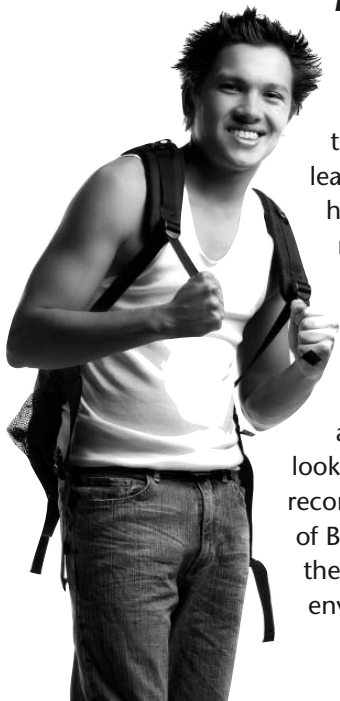

The stronger your grade point average...the stronger your candidacy for transfer; and taking the appropriate courses for the major you wish to transfer into at the four-year school, will maximize the efficiency of your work at BCC.

One of the myths associated with transferring from a two-year to a four-year school is the belief that all credits will transfer. Every college and university has its own curriculum based on the institution's values and mission, and therefore, not every course will transfer. So the bottom line is this:

You need to PLAN if you want to transfer.

What is involved in planning for transfer?

Planning for your transfer involves both *internal* and *external* exploration.

Internal exploration involves realistically examining your interests, skills and abilities to identify potential career options. Then, with the help of an academic advisor, you can determine the choice of an academic major that can best lead you toward your desired career path. After you have examined your interests and abilities, and matched these to the requirements of a particular major (or majors), you are ready to move on to the next step in the planning process.

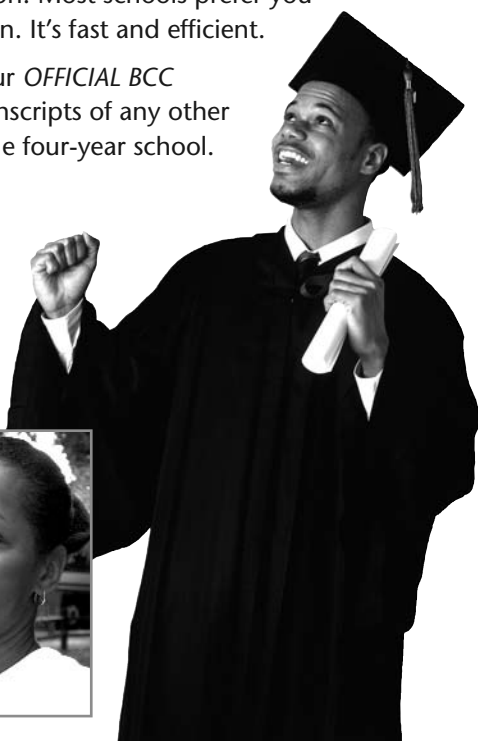

External exploration involves examining schools that have the programs/majors you are considering via the internet. This also means looking at the admissions requirements, the recommended transfer programs, the transferability of BCC courses into that school and those majors, the costs of attending the schools, the campus environment, and several other factors.

This is just the first part of the external exploration process. The second part involves *formally visiting* various colleges you may be interested in attending. This means meeting with admissions representatives and ideally meeting with faculty from the major you are interested in, touring the campus and surrounding area, and asking questions about what happens to graduates of the major you're interested in.

When you put all of this together, you can make strong academic and career choices that will help guide your transfer plans.

The steps to transfer are really quite simple:

1. Select your intended major and the schools you plan to transfer to and find out the *APPLICATION DEADLINES*.
2. Fill out the admissions application. Most schools prefer you complete their online application. It's fast and efficient.
3. Make arrangements to have your *OFFICIAL BCC TRANSCRIPT*, and the official transcripts of any other college you attended, sent to the four-year school.

BCC TRANSFER OPPORTUNITIES

BCC students transfer to colleges and universities throughout the country. Although most students either stay in New Jersey or the surrounding greater Philadelphia area, BCC students have transferred to schools in approximately 43 states throughout the country.

BCC students have four distinct ways to complete their bachelors' degrees. It is strongly advised that students work with the BCC Transfer Staff to plan their academic program for degree-completion at BCC and transfer.

1. **The "Regular" Transfer Process** – This involves (a) identifying the major you are interested in and the school(s) that appeal to you; (b) following a recommended transfer program of courses developed with a transfer advisor to maximize the efficiency of your time at BCC; and (c) submitting, at the appropriate time (far in advance of admissions deadlines), your *official BCC transcript* (and transcripts of any other college you attended) along with the admissions application and fee to the school(s) of your choice.
2. **The Guaranteed Admission Program (GAP)** – BCC has teamed up with 28 "partner schools" (and the list keeps growing) to offer a structured method for BCC graduates **to guarantee admission** to the school of their choice.

The requirements for the GAP are as follows:

- a. Students must complete an *Intent to Transfer form* for one partner school and identify the major they intend to transfer into at that school **before** they have started their 30th credit at BCC. **Please note that you cannot change your major and remain eligible for the GAP, so it is important to be certain about the major you select.** You are eligible to fill out one GAP application; if a student changes their mind please refer to the "Regular" transfer process.
- b. Students must take all their courses at BCC, follow the recommended transfer program for their intended major, and complete their degree at BCC. Students cannot transfer in courses taken at other schools and be eligible for the GAP.
- c. Students must earn a grade point average specific to the partner school.

- d. Students must meet with the Director of the BCC Transfer Center the *semester before* they intend to graduate [although it is ***strongly recommended*** that students in the *GAP* meet with a Transfer Advisor *each semester*] and be prepared to submit their application for admission and their official BCC transcript as prescribed by the Transfer Center.
- e. The Transfer Center Director will review the student’s academic record to determine final eligibility for the *GAP* institution and send a letter to the partner school certifying that the student is a *GAP* student who has fulfilled all the requirements of the program.

If a student fulfills these requirements, they are *guaranteed admission* to the partner schools and will have their application fee waived.

Please note that guaranteed admission does not mean that all credits will automatically transfer. However, by working with the Transfer Center staff, students can be assured of getting the maximum number (if not all) of their credits transferred to the partner school.

- 3. **On-Site Degree Completion Programs** – BCC has also teamed up with four distinguished institutions to provide bachelors’ degree completion opportunities on BCC campuses. The schools are Drexel University, Fairleigh Dickinson University, Wilmington University, and Strayer University.

Through BCC’s partnerships with these schools, students will be able to complete their bachelors’ degrees in more than 25 majors on Burlington County College campuses.

- 4. **Transfer Articulation Agreements** – BCC also has numerous partnerships with colleges and universities for transfer into specific majors. These are called *articulation agreements*. In this case, the four-year partner school and BCC have identified the courses that students need to take at BCC that will insure a seamless transfer into the major at the four-year school. Please keep in mind that a *transfer articulation agreement* means that the listed courses will transfer to the partner school. However, it *does not* guarantee that you will be accepted for transfer to the articulation-partner school.

TRANSFER RESOURCES

For more information about any of these transfer opportunities and for assistance in developing an academic plan for graduation and transfer, please contact:

Dr. Robert Ariosto, Ed.D

Director of the Burlington County College Transfer Center

Transfer Center – TEC 104, Mt. Laurel Campus

(856) 222-9311, ext. 2729

Email rariosto@bcc.edu

Donna Podolski, M.A.

Senior Assistant, Academic Support Services

Transfer Center – TEC 104, Mt. Laurel Campus

(856) 222-9311, ext. 2737

Email dpodolsk@bcc.edu

Another important resource for BCC students is **NJTRANSFER**.

This website helps students transfer community college courses in the state of New Jersey by providing easy-to-navigate features that assist students in learning:

- Which courses to select at a community college
- Which New Jersey four-year colleges offer equivalent courses
- How the courses will satisfy four-year degree requirements
- Where community college courses transfer in New Jersey
- How to contact a New Jersey college or university for information about admissions, transferring courses, or transfer recruitment events.

Students can access **NJTRANSFER** by going to **www.njtransfer.org**

For updated partner school information, please visit us online at **www.bcc.edu**.

Arcadia University – A coeducational, private, comprehensive university located in Glenside, Pennsylvania. BCC and Arcadia have Guaranteed Transfer Agreements that are in the following majors:

- | | |
|--|--------------------------|
| Accounting | History |
| Anthropology: Cultural | Mathematics |
| Biology | Music |
| Business Administration:
including Economics; Marketing | Philosophy and Religion |
| Chemistry | Political Science |
| Computer Science | Psychology |
| Communications | Sociology |
| English | Theater Arts and English |
| Modern Languages | Pre-Physical Therapy* |
| Health Administration | Pre-Physician Assistant* |

* These majors require a student to meet particular specifications to gain entrance into the Doctoral Physical Therapy or Physician Assistant programs.

Application deadlines: rolling each semester

Berkeley College – A coeducational, private, comprehensive college located in Woodland Park and Paramus, New Jersey. BCC and Berkeley College have transfer agreements in the following majors:

Accounting

Business Administration

Fashion Marketing & Management

Justice Studies

Management

Application deadlines: rolling each semester

Centenary College – A coeducational, private, comprehensive college located in Hackettstown, New Jersey. BCC and Centenary have Guaranteed Transfer Agreements that are in the following majors:

Communication – Film; Print Journalism; Radio/TV

Criminal Justice

Fashion Design

Fashion Merchandising

Graphic Design & Multimedia Arts

Social Work

Sociology

Theatre Arts

Application deadlines: rolling each semester

Central Michigan College – A coeducational public college in Mt. Pleasant, Michigan, with a branch located at McGuire AFB in Wrightstown, New Jersey. BCC and Central Michigan have transfer agreements in the following majors:

Integrated Leadership Studies (BS)

Community Development/
Public Administration (BS)

Psychology (BS)

Application deadlines: rolling each semester

Drexel University – A coeducational, private comprehensive doctoral university located in Philadelphia, Pennsylvania and, as of fall 2006, on the BCC Mt. Laurel campus. BCC and Drexel have transfer agreements that are in the following majors:

- | | |
|---|--|
| Applied Engineering Technology –
Electrical Engineering
Technology*, Manufacturing
Engineering Technology*,
Mechanical Engineering
Technology* | Engineering –
Architectural, Chemical,
Civil, Computer*, Electrical*,
Mechanical* |
| Behavioral Health Counseling | Health Services Administration |
| Biological Science* | Hospitality Management* |
| Business Administration | Information Systems |
| Chemistry | Mathematics |
| Computer Networking Security | Nursing & Online Nursing
[RN to BSN only] |
| Computer Science* | Physics |
| Computing Technology* | Psychology |
| Construction Management* | Sociology |
| Culinary Arts* | Sports Management |

* These majors are offered on BCC campuses in conjunction with the Drexel at BCC partnership.

Application deadlines: August 15 for fall and February 15 for spring

Fairleigh Dickinson University – A coeducational, private, doctoral university. Campuses are located in Madison and Teaneck in New Jersey. BCC and FDU have a Guaranteed Transfer Agreement in the majors listed below. In addition, FDU offers degree completion programs on BCC campuses for four majors.

Communications

Criminal Justice*
(Individualized Studies)

English*

History*

Hotel and Restaurant Management

Humanities*

Mathematics

* These majors are offered on Burlington County College campuses in conjunction with the BCC– FDU Partnership.

Application deadlines: August 1 for fall and December 15 for spring

GEORGIAN COURT UNIVERSITY

A tradition of excellence...a future of success

Georgian Court University – A private, liberal arts university located in Lakewood, New Jersey. BCC and Georgian Court University have transfer agreements that are in the following majors:

Accounting

Allied Health Technologies –
(Joint Program with UMDNJ)

Biology

Biochemistry

Business Administration

Chemistry

Clinical Laboratory Sciences –
(Joint Program with UMDNJ)

Education

(Pre-B.A. or Pre-B.S.
concentrations in Elementary
Education; Biology;
Chemistry; Physics;
Mathematics)

Social Work

Application deadlines: August 1 for fall and January 1 for spring

Holy Family University – A coeducational, private, comprehensive university located in northeast Philadelphia, Pennsylvania. BCC and Holy Family University have transfer agreements that are in the following majors:

Accounting

Biochemistry

Biology

Computer Management/
Information Systems

Criminal Justice

English

Fire Science &
Public Safety Administration

History

International Business

Mathematics

Psychobiology

Psychology

Application deadlines: rolling each semester

Immaculata University – A coeducational, private, liberal arts university located in Immaculata, Pennsylvania. BCC and Immaculata University have transfer agreements that are in the following majors:

Accounting

Biology

Business Administration

Economics

English

History – Politics

Nutrition – Didactic Program
in Dietetics

Psychology

Sociology

Application deadlines: rolling each semester

Montclair State University – A coeducational, public, comprehensive university located in Montclair, New Jersey. BCC and Montclair State University have transfer agreements that are in the following majors:

Anthropology

Classics

English

Geography

History

Linguistics

Philosophy

Political Science

Psychology

Religious Studies

Sociology

Application deadlines: June 15 for fall and November 1 for spring

Morgan State University – A coeducational, public, doctoral university located in Baltimore, Maryland. BCC and Morgan State University have transfer agreements that are in the following majors:

Accounting	History
Advanced Education Studies, Leadership & Policy	Industrial Engineering
Biology	Information Science & Systems
Business Administration	Mathematics
Chemistry	Military Science
Civil Engineering	Philosophy
Communication Studies	Physics
Computer Science	Political Science & International Studies
Economics	Psychology
Electrical Engineering	Social Work & Mental Health
English & Language Arts	Sociology & Anthropology
Family & Consumer Sciences	Teacher Education & Professional Development
Foreign Languages	
Geography	
Health, Physical Education, & Recreation	

Application deadlines: April 15 for fall and December 1 for spring

New Jersey Institute of Technology

New Jersey Institute of Technology – A coeducational, public, doctoral university located in Newark, New Jersey. BCC and NJIT have transfer agreements that are in the following majors:

- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Computer Science
- Electrical Engineering
- Electrical Engineering Technology
- Engineering Science
- Industrial Engineering
- Information Systems
- Mechanical Engineering

Application deadlines: April 1 for fall and November 15 for spring

New Jersey City University – A coeducational, public, comprehensive university located in Jersey City, New Jersey. BCC and New Jersey City University have transfer agreements that are in the following majors:

- | | |
|---------------------------|------------------------|
| Art | History |
| Biology | Mathematics |
| Business Administration | Media Arts |
| Chemistry | Philosophy |
| Computer Science | Physics |
| Criminal Justice/Security | Political Science |
| Economics | Psychology |
| English | Sociology/Anthropology |
| Geoscience/Geography | Spanish |
| Health Sciences | |

Application deadline: April 1 for fall and November 1 for spring

Peirce College – A coeducational, private, specialized college located in Philadelphia, Pennsylvania. BCC and Peirce College have transfer agreements that are in the following majors:

Accounting

Business Information Systems

Management

Marketing

Networking

Paralegal Studies

Technology

Application deadlines: rolling each semester

Regis University – A coeducational, private, comprehensive university located in Denver, Colorado. BCC and Regis University have transfer agreements that are in the following majors:

Accounting

Business Administration

Computer Information Systems

Computer Networking

Computer Science

Finance

Marketing

Public Administration

Application deadlines: rolling each semester

Rider University – A coeducational, private, comprehensive university located in Lawrenceville, New Jersey. BCC and Rider University have transfer agreements that are in the following majors:

Accounting	Geological / Marine Sciences
Actuarial Science	Global & Multinational Studies
Advertising	History
American Studies	Human Resource Mgmt.
Biology	Journalism
Biochemistry	Management & Leadership
Business Administration	Marketing
Business Economics	Philosophy
Business Education	Physics
Chemistry	Political Science
Communications	Psychology
Computer Info. Systems	Secondary Education/ Subject Matter Certification
Early Childhood/ Elementary Education	Sociology
English	
Finance	
Foreign Languages – including: French, German, Russian, and Spanish	

Application deadline: February 15 for fall and November 1 for spring

STOCKTON

THE RICHARD STOCKTON COLLEGE OF NEW JERSEY

Richard Stockton College of New Jersey – A coeducational, public, comprehensive college located in Pomona, New Jersey. BCC and Richard Stockton have transfer agreements that are in the following majors:

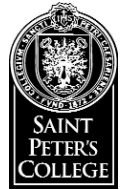

Biology	Marine Science including: Marine Resource Mgt; Marine Biology; Oceanography (B.A. & B.S.)
Biochemistry	Mathematics
Business Studies including: Accounting; Finance; Management; and Marketing	Molecular Biology
Chemistry	Nursing – Must be a licensed RN to gain admission [RN to BSN]
Communication Studies	Philosophy
Computational Science – Applied Physics; Biology; Chemistry; Environmental Science; Marine Science; Mathematics	Physics (B.A. & B.S.)
Computer Science & Information Technology	Political Science
Criminal Justice	Political Science – Sustainable Concentration
Economics	Psychology (B.A. & B.S.): Forensic Psychology Concentration
Environmental Science – B.A. & B.S.	Public Health – including: Community Health; Environmental Health; and Health Administration
Environmental Science – Sustainability & Environmental Policy	Sociology and Anthropology
French	Social Work
Geology – B.A. & B.S.	Spanish
History	Theatre Management
Hospitality Management/Tourism	Theatre Performance/Design Production
Literature – including: Creative Writing; Theatre English; Literary Studies	

Application deadline: June 1 for fall and December 15 for spring

Rutgers University – A coeducational, public, doctoral university located in New Brunswick/Piscataway, Camden, and Newark. BCC and Rutgers University have transfer agreements that are in the following majors:

American Studies	Environmental Science (at School of Environmental & Biological Sciences)
Anthropology	
Art History	Food Science (at School of Environmental & Biological Sciences)
Biological Sciences	
Biochemistry	History
Business (at Camden): Accounting; Finance, Management; Marketing	Mathematics
Chemistry	Meteorology (at School of Environmental & Biological Sciences)
Computer Science (at Camden)	Philosophy
Economics	Physics
English	Political Science
Environmental/ Business Economics (at School of Environmental & Biological Sciences)	Psychology
	Sociology
	Women’s and Gender Studies (at New Brunswick)

Application deadlines (priority):
January 15 for fall and October 15 for spring

Saint Peter's College – A coeducational, private, comprehensive college located in Jersey City and Englewood Cliffs, New Jersey. BCC and Saint Peter's College have transfer agreements that are in the following majors:

Accounting	History
American Studies	International Trade
Art History	Marketing Management
Biology	Mathematics
Biochemistry	Modern Language – including: French, Italian, Spanish
Business Administration including Management	Natural Science
Chemistry	Nursing [RN to BSN]
Classical Civilization	Philosophy
Classical Language	Physics
Clinical Lab Sciences – including: Cytotechnology: Medical Technology	Political Science
Communication	Psychology
Computer Science	Sociology
Criminal Justice	Theology
Economics	Toxicology Education (Elementary cert.)
Education (Secondary)	Urban Studies
English Literature	Visual Arts

Application deadlines: rolling each semester

Seton Hall University – A coeducational, private, doctoral university in South Orange, New Jersey. BCC and Seton Hall have transfer agreements that are in the following majors:

Anthropology	Arts / Graphic Interactive
Art / Fine Art	Advertising Design
Art History	Criminal Justice
Biochemistry	Diplomacy
Biology [BA] and [BS]	& International Relations
Business Administration:	Education – Secondary
– Accounting	English
– Arts & Sciences	History
– Economics	Liberal Studies
– Finance	Mathematics
– General Studies	Modern Languages
– Information Technology	Music – Applied
– International Studies	Nursing – BSN
– Management	Nursing – RN-to-BSN
– Marketing	Philosophy
– Sports Management	Political Science
Chemistry [ACS Certified]	Psychology
Communication –	Social Work
Journalism-Public Relations	Social and Behavioral Studies
Communication – Broadcast/ Visual/Interactive Media	Sociology
Communication Studies	Theatre and Performance
Computer Science	
Creative Writing	

Application deadline: March 1 for fall and December 1 for spring

Strayer University – A coeducational, private, multi-campus institution located at the BCC Willingboro Center. BCC and Strayer University have transfer agreements that are in the following majors:

Accounting

Business Administration

Criminal Justice

Information Systems

Application deadlines: rolling each semester

Temple University – A coeducational, public, doctoral university located in Philadelphia, Pennsylvania. BCC and Temple University have transfer agreements that cover nearly all 125 undergraduate majors at Temple University.

Admission into some of Temple’s most competitive majors is not guaranteed because they have additional requirements for entry into those majors. The majors that are considered exceptions to this agreement are as follows: Architecture; Art; Dance; Health Information Management; Music; Nursing; and Pharmacy.

Application deadline: June 1 for fall and November 1 for spring

The College of New Jersey – A coeducational, public, comprehensive college located in Ewing, New Jersey. BCC and The College of New Jersey have transfer agreements that are in the following majors:

- | | |
|--|---|
| Accounting | Engineering Sciences – including: Biomedical; Civil; Computer; Electrical |
| Art History | English – including: Journalism; Professional Writing |
| Biology (3.5 GPA) | Health and Exercise Science* |
| Business Administration – including: General Business; Economics (BA & BS); Finance; International Business; Management; Marketing | History |
| Chemistry* | Interior Design |
| Communication Studies – including: Communication; Interactive Media | Mathematics |
| Computer Science | Philosophy |
| Criminology | Physics |
| Early Childhood Education* | Political Science – including: Public Administration |
| Economics | Psychology (3.4 GPA) |
| Education for the Deaf and Hard of Hearing | Sociology |
| Education of Students with Disabilities | Spanish |
| Elementary Education* | Statistics |
| | Technology Education/ Pre-Engineering* |

* Note that New Jersey requires students who wish to enter a teacher preparation program to complete their degree in an academic discipline that is taught in the schools.

Application deadlines: February 15 for fall and November 1 for spring

Thomas Edison State College – A coeducational, public, comprehensive college located in Trenton, New Jersey. BCC and Thomas Edison have transfer agreements that are in the following majors:

Art	Hospitality Management
Accounting	Information Technology
Biology	Journalism
Chemistry	Mathematics
Communications	Management of Human Resources
Computer Science	Music
Construction Management	Natural Science
Criminal Justice	Photography
Electronics Engineering Technology	Physics
Management	Political Science
History	Psychology

Application deadlines: rolling each month

Thomas Jefferson University, College of Health Professions –

A coeducational, private college that specializes in the health professions. The College of Health Professions is located in Philadelphia, Pennsylvania. BCC and the College of Health Professions have transfer agreements that are in the following majors:

Nursing (Prelicensure BSN)

Radiologic Sciences

Biotechnology

Cytotechnology

Medical Technology (2 + 2; 3 + 1;
post-baccalaureate certificate)

Occupational Therapy (BS/MS program)

Application deadline: January 31 for fall – *no spring admission*

Wesley College – A coeducational, private, liberal arts college located in Dover, Delaware and a second campus is located in New Castle, Delaware. BCC and Wesley College have transfer agreements that are in the following majors:

Accounting	Management
American Studies	Marketing
Biology	Mathematics
Biochemistry	Media Arts
Business Administration	Nursing [RN to BSN]
Education (K-8)	Physical Education
English	Political Science
Environmental Studies	Psychology
History	Secondary Education
International Studies	
Legal Studies	
Liberal Studies	

Application deadlines: April 1 for fall semester and October 1 for spring

Wilmington University – A coeducational, private, comprehensive university located in New Castle, Dover, and Georgetown, Delaware. BCC and Wilmington University have transfer agreements that are in the following majors:

Accounting*
Behavioral Sciences*
Business Management
Computer and Network Security
Criminal Justice*
General Studies*
Human Resource Management*
Information Resource
Management
Legal Studies
Marketing
Nursing [RN to BSN]*
Organizational Dynamics
(Accelerated program)
Organizational Management
(Accelerated program)
Psychology*

* These majors are offered on BCC campuses.

Application deadlines: rolling each semester

**THE UNIVERSITY
OF THE ARTS®**

University of the Arts, College of Media and Communications –

A coeducational, private, university located in Philadelphia, Pennsylvania. BCC and the University of the Arts have transfer agreements that are in the following majors:

Communications

Graphic Design and Digital Media

Application deadlines: rolling each semester

HYBRID ONLINE AND PROGRAM PARTNERS

These schools will accept the entire BCC degree for transfer into their majors. These schools are primarily designed for working adults.

University of Phoenix
Business Management

**University of Wisconsin –
Green Bay**
Nursing (RN – BSN)

Franklin University
Accounting
Business Administration
Information Technology

ARTICULATION AGREEMENTS

The following colleges and universities have major-specific articulation agreements with BCC:

Cabrini College
Biotechnology

Rowan University
Accounting
Finance
Management
Marketing

Dowling College
Most Majors

Widener University
Engineering

TRANSFER TIPS... A FEW THINGS TO DO WHILE YOU'RE AT BCC

- ❑ Be certain you are enrolled in an academic program that is designed for transfer. (A.A. and A.S. degree programs are... most A.A.S. programs are not)
- ❑ Meet with an Academic Advisor early in your academic career at BCC to talk about your interests and goals and learn how BCC can help you.
- ❑ Attend the Transfer Visitation Days and the fall Transfer Fair at BCC to meet admissions representatives from four-year schools and get more information about those schools.
- ❑ Begin identifying schools that have the major(s) you are interested in.
- ❑ Visit www.njtransfer.org, New Jersey's transfer website, for easy-to-navigate information designed to help students learn which courses to select at a community college, how they will transfer and satisfy four-year degree requirements at New Jersey's colleges and universities and how to contact a New Jersey college or university for information about admissions, transferring courses, and transfer recruitment events.
- ❑ Meet with the BCC Transfer Center staff to build a plan for graduation and transfer.
- ❑ Attend the fall and spring Transfer Fairs at BCC to meet admissions representatives from four-year schools and get more information about those schools.
- ❑ Arrange to visit the four-year schools you are interested in and meet with both the admissions representatives and faculty who can tell you more about their academic programs and admissions requirements.
- ❑ Arrange follow-up meeting(s) with the BCC Transfer Center staff regarding your transfer plans.
- ❑ Make sure you are aware of the application process and deadlines for the schools you are considering for transfer.
- ❑ Study hard and set aside the appropriate amount of time for your academic work each semester (the general rule of thumb is two hours out of class for every hour in class each week... e.g. 12 credits = 36 hours per week in and out-of-class study)

It's All Up To You!

The opportunities for transferring to a four-year college or university from BCC are extensive. The list of partner schools continues to grow each year, and the number of schools that BCC students transfer to grows each year too.

So make the best use of your time at Burlington County College, plan for your transfer, work hard, get good grades, and you will be on your way.

As an Equal Opportunity/Affirmative Action institution, Burlington County College affords equal vocational opportunities to qualified individuals regardless of race, color, religion, sex, national origin, age, handicap (as defined by Section 504), ancestry, place of birth, marital status or liability for military service in the operation of its programs and activities (including admissions, access to programs and course offerings, physical education, intercollegiate and intramural athletics, counseling, employment, use of facilities, and college-sponsored extracurricular activities). This is in accordance with Title VI of the Civil Rights Act of 1964 (which prohibits discrimination on the basis of race, color, and/or national origin), Title IX of the Education Amendment of 1972 (which prohibits sex discrimination), Section 504 of the Rehabilitation Act of 1973 as amended and the Americans with Disabilities Act/ADA (which prohibit discrimination against otherwise qualified handicapped people), and other applicable laws and regulations. Copies of the Dispute Resolution for Students with Disabilities is available from Mr. Dennis M. Haggerty, Title IX and Section 504 Coordinator, located in Lewis M. Parker Center, room 401 on the Pemberton campus or by calling him at (609) 894-9311, ext. 1399.
